[northlandcareercenter.asapconnected.com](http://northlandcareercenter.asapconnected.com) or call 816-858-5505

***\$84.00 for six-week session***

Bricks 4 Kidz® enrichment classes are designed to be educational and FUN! We teach children principles of science, technology, engineering, and math (STEM) utilizing motorized LEGO® models. Every lesson is unique and designed to engage a child's mind. Each 6-week session features a new theme and models. This club is for **grades K-5**. Class size is limited. *Students will receive a mini-fig with enrollment.*
